

Hardly a month goes by without a little . . .

FABULOUS DISASTER

" . . .with the rubble strewn about our feet"

This month we announce **THE RETURN OF THE TRIO !!!** Yes, another guitarist bites the dust. Danny was really good and we liked his guitar playing but he had a learning disability; seems he couldn't learn the chords to the songs. But you can still see him in his new band, *Dissonance*. We were willing to overlook the fact that he couldn't drink or smoke or have a good time because he was an ex-junkie, but we really need someone who can play the fucking music. We can say that he has fallen in love so the band wishes Danny the best of everything. Once again we can bring you the extravagant ruminations of Chris, the angry stompings of David and the blonde fury of Eric; unhindered, unfettered, uncluttered with intemperate nonsense.

as usual, all shows start exactly 15 minutes late and last approximately 45 minutes
and please mention **FABULOUS DISASTER** when you come through the door

SATURDAY, OCTOBER 10th 11:00 p.m.

Lauterbach's

335 Prospect Ave., Park Slope Brooklyn

\$3 cover 718-788-9140

Located on Prospect Ave, between 5th and 6th Aves., take the **F train** to **15th st/Prospect Park** and walk south to Prospect Ave. What a fun place; pool, Ms. Pacman, beer and rock n' roll. We always have fun at this place, and everytime we play here it rains. Now you know the weather for this night, for sure. And if it is raining, might as well drink. That is, drink at Lauterbach's. And if it doesn't rain, it definitely will be thundering because this gig will feature Joe "the Polish Hammer" on drums.

THURSDAY, OCTOBER 22nd 8:00 p.m.

Street Level

5 Ave. A (Ave. A & Houston, NW corner)

\$5 cover 388-0560

HAPPY HOUR 5-8p.m. TWO FOR ONE DRINKS

Located right on the corner, the place has glass all around so you can watch the excitement on the street as it happens right behind the band. Take the **F train** to **2nd Ave.** or the **6 train** to **Bleeker Street**. This used to be a nasty neighborhood, but places like **Street Level** have properly gentrified the area. Smith & Wesson protection services no longer necessary, but if do decide to pack one, floor prizes eligible for largest caliber, shiniest barrel and deepest chambers.

SUNDAY, OCTOBER 25th All day, starting at noon

Prospect Park Bandshell, Prospect Park Park Slope, Brooklyn

Fabulous Disaster presents "*assholes al fresco*"

Take the **D, Q** to Prospect Park or the **F** to **15th street/Prospect Park**. An all day outdoor musical extravaganza with five bands (maybe six), the final installment in the 'Morons in the Park' program. Due to circumscisions beyond our control, last months show at this venue was canceled due to excessive cough syrup ingestion by band members who were a bit short in the brown bag department, Mr. Gambino said we couldn't play. However, the proper park officials have all been paid and this months show is on. Our stage time is 2:30 - 3:00 p.m.

Fabulous Disaster would like to thank all of our friends for their support.
